About Vision online services

We offer an online service for our patients to enable you to order your repeat prescriptions via Vision online services at your convenience.

Request your repeat prescriptions online

Request your repeat prescriptions quickly online by logging into your account and simply ticking the appropriate boxes. You can review the progress of your repeat prescriptions and any message that the practice may have sent to you.

Cancelling appointments

Have the flexibility to cancel your appointments from home, at work or any location with internet access. You don't need to queue at the practice, wait on the telephone and you can cancel your appointments outside practice opening hours.

About SMS text messaging

An alternative method of communicating with patients is being introduced. This is will be a secure text messaging service enabling the practice, with patient consent, to send health care invitations and appointment reminders to patients by SMS text messages.
